Foreword

The seventh collection in this series, *Easy to Ring Praise & Worship IV: For 3-5 Octaves* presents an additional ten popular praise songs arranged for beginning handbell or handchime choirs. Each arrangement is for 3 octaves (with optional notes up to 5 octaves) and begins with a brief introduction, which is a complete composition that can be used for performance. As in the first collection, there is a moderate use of eighth notes and all ringers are kept busy throughout each arrangement. The difficulty levels range from 1 - 2.
