## Program Notes

*Triumphant Journey* is the story of persevering hope and faith. The optimistic main theme marches along energetically and depicts a person's walk through life. Then the main theme is altered and in a minor key to picture the difficulties of life. The third section contains a new theme underneath a steady walking figure in the top. This new theme is strong yet sweet and symbolic of under girding help from friends and family and for a person of faith, help from the Almighty. The return of the joyful first theme ends the piece triumphantly.

Commissioned by the Bells of the Lakes, adult handbell choir of Church of the Lakes United Methodist Church in Canton, Ohio,  
in loving memory of Doreen Cuthbert, founding member, dedicated ringer, and dear friend.
