

ALFRED'S CHALLENGER BAND SERIES

Trumpets of Symphony Hall

Arranged by Todd Stalter

Here is a medley that provides a great opportunity to let your trumpet section be exactly what they want to be—the stars of the show! Performing this delightful arrangement of familiar symphonic themes by Beethoven, Mozart, Dvořák, Haydn, Bach, Offenbach, and Brahms works very well with the trumpets standing in front of the band, but is also effective with them seated within the ensemble. A unique way to vary your concert program and to introduce students to some of the finest orchestral literature, *Trumpets of Symphony Hall* will undoubtedly be a highlight for both performer and audience alike!
