PROGRAM NOTES

This classic ballad, performed by Cyndi Lauper and co-written with Rob Hyman, has stood the test of time. Lauper's debut studio album, *She's So Unusual*, had several hits including "Girls Just Wanna Have Fun" and "She Bop." *Time After Time* was nominated for a Grammy Award for Song of the Year in 1985. Having great success on the charts, it became her first number one single on the *Billboard* Hot 100 chart for two weeks. In addition, *Time After Time* has been covered by many other artists and still resonates as much today as it did when it was first released.

PROGRAM NOTES

This arrangement should be approached in a straight-ahead pop, ballad style.

Percussion 1 can be played by two players: one on snare drum/hi-hat cymbals and the other on bass drum. It can also be played by one player on drumset if a suitable instrument is available.

As always, feel free to adjust tempo and dynamics to suit your ensemble and performance venue.

I have enjoyed arranging *Time After Time*. Best wishes for a successful performance!
